“*Attention: PRA Comments—MSB Registration—Form 107.*”

I note that a means to un-register is missing from the proposed Form.

The Form appears to cover: (in Part I) the initial registration, renewal, correct/amend a prior report, and re-registration cases.

How does a previously registered MSB inform Treasury that it has withdrawn from this business activity?

Perhaps this is covered in other forms or processes, or might it be an addition to the Form 107?
