SUPPLEMENTARY INFORMATION: *Abstract:* The Director of the Financial Crimes Enforcement Network is the delegated administrator of the Bank Secrecy Act ("Act"). The Act authorizes the Director to issue regulations to require all

financial institutions defined as such in the Act to maintain or file certain reports or records that have been determined to have a high degree of usefulness in criminal, tax, or regulatory investigations or proceedings, or in the conduct of intelligence or counter-intelligence activities, including analysis, to protect against international terrorism.¹

The notice of final rulemaking implemented section 5318A of Title 31, United States Code, by adding § 1010.655 to 31 CFR Chapter X. In general, the regulations require covered financial institutions to establish, document, and maintain programs as an aid in protecting and securing the U.S. financial system.

Title: Imposition of Special Measure against Banco Delta Asia, including its subsidiaries Delta Asia Credit Limited and Delta Asia Insurance Limited, as a financial institution of primary money laundering concern.

Office of Management and Budget ("OMB") Control Number: 1506-0045.

Abstract: The Financial Crimes Enforcement Network is issuing this notice to renew the control number for the imposition of a special measure against Banco Delta Asia, including its subsidiaries Delta Asia Credit Limited and Delta Asia Insurance Limited, as a financial institution of primary money laundering concern pursuant to the authority contained in 31 U.S.C. 5318A.

Current Action: Renewal without change for existing proposed regulations.

Type of Review: Extension of a currently approved information collection.

Affected Public: Businesses and certain not for-profit institutions.

Burden: Estimated Number of Respondents: 5,000.

Estimated Number of Responses: 5,000.

Estimated Number of Hours: 5,000.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid control number assigned by OMB. Records required to be retained under the Act must be retained for five years. Generally, information collected pursuant to the Act is confidential but may be shared as provided by law with

¹ Public Law 91-508, as amended and codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959 and 31 U.S.C. 5311-5332. Language expanding the scope of the Bank Secrecy Act to intelligence or counter-intelligence activities to protect against international terrorism was added by section 358 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Public Law 107-56.

regulatory and law enforcement authorities.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance and purchase of services to provide information.

Dated: May 31, 2013.

Ballast Water Management Reporting and Recordkeeping

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to amend its existing ballast water management (BWM) reporting and recordkeeping requirements. The Coast Guard will require vessels with ballast tanks operating exclusively on voyages between ports or places within a single Captain of the Port (COTP) Zone to submit an annual report of their BWM practices. The Coast Guard also proposes to update the current ballast water report to include only data that is essential to understanding and analyzing BWM practices. The proposed rule will allow most vessels to submit ballast water reports after arrival to the port or place of destination.
