Informational Webinar: FBAR Electronic Filing Technical Overview

The Financial Crimes Enforcement Network (FinCEN) will hold an Informational Webinar on Thursday, September 19, 2013, to discuss technical specifications related to the electronic filing of the Report of Foreign Bank and Financial Accounts (FBAR).

The Webinar will provide participants with an overview of recent FBAR electronic filing technical enhancements and other important features of the electronic FBAR. FinCEN representatives will be available to answer technical questions about the electronic FBAR and batch filing after the presentation.
