Our company "Baltic Hallmake" (reg.Nr.40003073415) holds account with VEF-banka since March 1995. During these years the cooperation with the bank was very effective and useful for growing of our company.

"Baltic Hallmake" continue to work with the bank and is interested in dilative specter of newly introduced services.

Loans and trade finance terms offered by the bank are attractive to our business and help us to develop new businesses.

In case of proposed by US government restriction measures will come in force, they will affect our business and business of other Latvian companies.

With regards,

president
Sergei Mandrigin
