Comments regarding lowering the threshold for funds transfers/transmittals of funds from \$3,000.00 to \$1,000.00 From a corporate credit union - it would impact my members operations dramatically. You should receive feedback from these financial institutions - directly. Personally - I would have to try to ensure that my member credit unions comply with the lower threshold so that I would have the records myself to be in compliance - as a corporate.

I will support whatever changes that the majority speaks too.

Respectfully,
