DEPARTMENT OF THE TREASURY

Financial Crimes Enforcement Network

31 CFR Part 1010

RIN 1506–AB11

Financial Crimes Enforcement Network; Withdrawal of the Proposed Rulemaking Against Lebanese Canadian Bank SAL

AGENCY: Financial Crimes Enforcement Network ("FinCEN"), Treasury.

ACTION: Proposed rule; withdrawal.

SUMMARY: This document withdraws FinCEN's February 17, 2011, proposed rulemaking to impose the fifth special measure against Lebanese Canadian Bank SAL ("LCB") as a financial institution of primary money laundering concern, pursuant to the United States Code (U.S.C.).

DATES: As of October 7, 2015 the proposed rule published February 17, 2011, at 76 FR 9268, is withdrawn.

FOR FURTHER INFORMATION CONTACT: The FinCEN Resource Center at (800) 767-2825.

SUPPLEMENTARY INFORMATION:

I. Background

The Bank Secrecy Act (“BSA”), codified at 12 U.S.C. 1829b, 12 U.S.C. 1951–1959, and 31 U.S.C. 5311–5314 and 5316–5332, promotes the prevention, detection, and prosecution of money laundering, tax evasion, the financing of terrorism, and other financial crimes. Regulations implementing the BSA appear at 31 CFR Chapter X. The authority of the Secretary of the Treasury (“the Secretary”) to administer the BSA and its implementing regulations has been delegated to the Director of FinCEN.

Section 5318A of the BSA grants the Secretary authority, upon finding that reasonable grounds exist for concluding that a foreign jurisdiction, foreign financial institution, class of international transactions, or type of account is of “primary money laundering concern,” to require domestic financial institutions and domestic financial agencies to take certain “special measures” against the primary money laundering concern.

II. The Finding, Notice of Proposed Rulemaking, and Subsequent Developments

A. The Notice of Finding and Notice of Proposed Rulemaking

Based upon review and analysis of relevant information, consultations with relevant Federal agencies and departments, and after consideration of the factors enumerated in section 311, the Director of FinCEN found that reasonable grounds existed for concluding that LCB was a financial institution of primary money laundering concern. FinCEN published a proposed rule proposing to impose the fifth special measure on February 17, 2011, pursuant to the authority under 31 U.S.C. 5318A.¹

B. Subsequent Developments

Since FinCEN’s notice of proposed rulemaking, material facts regarding the circumstances of the proposed rulemaking have changed. On September 20, 2011, the Lebanese central bank and monetary authority, with control over bank supervision and regulation, the Banque du Liban (BDL), revoked the banking license of LCB and delisted LCB from the list of banks published by BDL. LCB’s former

shareholders sold its assets and liabilities to the Société Generale de Banque au Liban SAL (SGBL). Because of the action taken by the Lebanese banking authorities and the liquidation of the LCB’s assets, LCB no longer exists as a foreign financial institution. FinCEN will therefore not proceed with the rule proposed on February 17, 2011.

III. Withdrawal of the Proposed Rule

For the reasons set forth above, FinCEN hereby withdraws the February 17, 2011 proposed rule proposing to impose the fifth special measure authorized by 31 U.S.C. 5318A(b)(5) regarding LCB. FinCEN’s withdrawal of the proposed rule does not acknowledge any remedial measure taken by LCB, but results from the fact that LCB no longer exists as a foreign financial institution due to the decision by its former shareholders to liquidate the bank and the revocation of its banking license.

Jennifer Shasky Calvery,

Director, Financial Crimes Enforcement Network.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA–R01–OAR–2014–0605; A–1–FRL–9935–30–Region 1]

Approval and Promulgation of Air Quality Implementation Plans; Rhode Island; Sulfur Content of Fuels

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve a State Implementation Plan (SIP) revision submitted by the State of Rhode Island on June 26, 2014, with supplemental submittals on March 25, 2015 and August 28, 2015. This SIP revision includes a regulation that has been revised to require a lower sulfur content for petroleum-based distillate and residual fuel oils. In addition, outdated provisions in the regulation have been removed. The intended effect of this action is to propose approval of this regulation into the Rhode Island SIP. This action is being taken in accordance with the Clean Air Act.

DATES: Written comments must be received on or before November 6, 2015.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R01–

SUPPLEMENTARY INFORMATION: In the Final Rules Section of this **Federal Register**, EPA is approving the State’s SIP submittals as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, EPA may adopt as final those provisions of the rule that
